ALS Canada is looking for **Event Day Volunteers** to support ALS Canada's Walk to End ALS events across the province of Ontario this summer. Our events are more than just a fundraiser; they are an opportunity to come together and connect to build a community of ALS supporters. As an Event Day Volunteer, you will be an important and key part of the largest community fundraiser for ALS research, advocacy, community-based services, and information. You will support our ALS Canada staff and the Walk to End ALS Volunteer Committee through various roles on the day of the Walk to End ALS events.

ALS Canada Walk to End ALS

The ALS Canada Walk to End ALS is the largest community fundraiser for ALS research, advocacy, community-based services, and information. It is a fun, family-friendly way to celebrate hope for a future without ALS, honor those we have loved and lost, and show support for Canadians and their families living with the disease.

therapies.

Responding to the tremendous need for current and credible ALS knowledge, awareness, and education, we empower Canadians affected by ALS to navigate the current realities of ALS, be informed consumers of ALS information, and advocate effectively for change. In Ontario, we provide direct community services to help people navigate ALS.

Founded in 1977, we are a registered charity that receives no government funding – our work is powered by generous donors who share our vision of a future without ALS.

Volunteering with ALS Canada is an opportunity to make a huge difference in the lives of all those affected by ALS, to give back to your community, to meet new people and to have fun!

Together, we are moving closer to a world free of ALS!
